Stirling University Innovation Park is located within the grounds of the University of Stirling campus, between Stirling and Bridge of Allan, just 10 minutes from the Junction 11 of the M/A9.

### **BY CAR**

**To reach us from the East, South or West:** Take the M9 to Junction 11. Once at the junction there is a roundabout which marks the end of the M9. From here you should take the exit for Bridge of Allan, follow the road through the town itself, and after about 200 metres you will come to a roundabout, go straight through then take first exit on left and follow the road up the hill towards the Wallace Monument. The Wallace Monument should now be on your RHS and the Innovation Park on your LHS.

**To reach us from the North:** Take the A9 to the same roundabout as above and follow the same route through Bridge of Allan as above.

From the North A9 via Perth and Bridge of Allan

From the East A91 from St Andrews, M9 from Edinburgh

From the South M74, M73, A80, M80, M9

From the West M8, A80, M80, M9 from Glasgow

Parking is available free for visitors.

### **BY TRAIN**

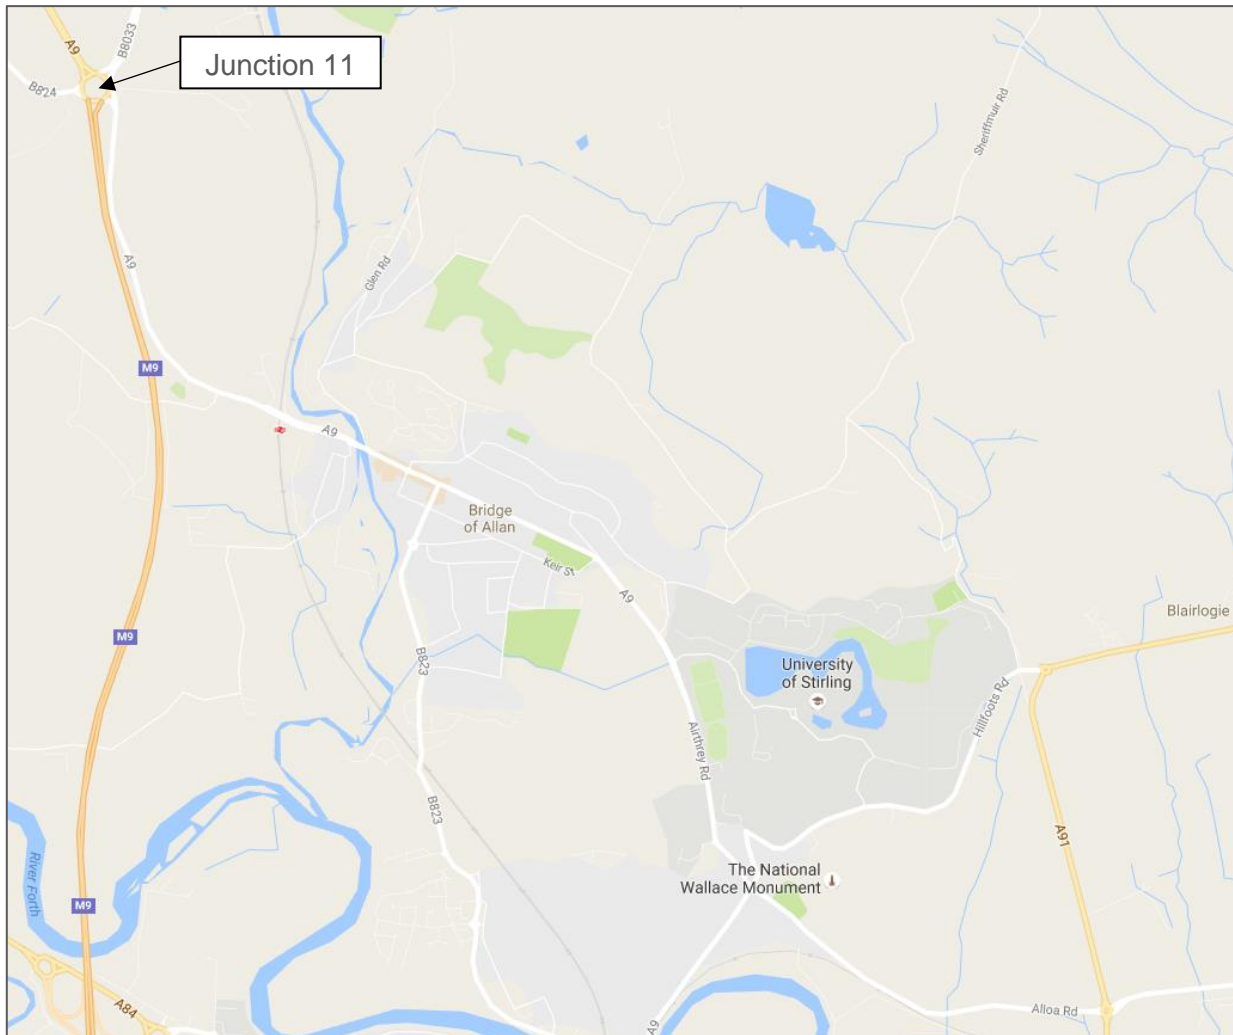

Regular Scotrail train services run from both Edinburgh Waverley Station and Glasgow Queen Street Station. Alight at Stirling train station (not Bridge of Allan) and then make your way to the University by bus or taxi. Taxis are available from Stirling Rail Station concourse, with most buses to the University departing from Murray Place bus stop located just up the hill from the rail station.

### **BY BUS**
